

Jonathan P. Rollins

AIA NCARB
PRINCIPAL

Mr. Rollins is a leader in GFF's institutional practice, focusing on university projects, independent schools, cultural facilities and communities of faith, with an additional emphasis on historic preservation and adaptive reuse. He combines a detailed and creative approach to solving complex programming and design problems with expertise in building technology and the construction process.

REGISTRATIONS

Texas

Massachusetts

Jon served two terms on the Board of Trustees for Preservation Dallas. A frequent conference presenter and contributor to professional journals, his recent speaking experience includes invited presentations on topics including historic preservation, sacred space and synagogue architecture, and design of innovative learning spaces. Mr. Rollins holds an AB from Princeton University, and a Masters in Architecture from the Harvard Graduate School of Design. He has been a design instructor at the Boston Architectural Center, and a design critic at the Rhode Island School of Design and the Harvard GSD.
