

Scott A. Kanaga

AIA

ASSOCIATE PRINCIPAL
STUDIO DIRECTOR

Mr. Kanaga received a Bachelor of Architecture in 1994 from Kansas State University. He has worked on a variety of projects ranging from retail centers and corporate office complexes, to master planning and land planning. Currently, he is leading GFF's retail studio, working with numerous retail and restaurant tenants and developers nationwide. He is an Associate Principal and Studio Director with a focus on retail and restaurants.

REGISTRATIONS

Texas

"I strive to enhance the experience of shopping and dining by making meaningful connections between interior and exterior spaces that create a destination, and a unique sense of place."

Scott won a prestigious first place Award for Creative and Visionary Projects from the Colorado AIA Chapter in 1993. Scott is an Alumni of the Real Estate Council's Associate Leadership Council.
