

# David Boone

**RA**  
ASSOCIATE PRINCIPAL  
SENIOR INTERIOR DESIGN LEADER

## REGISTRATIONS

Texas                      New York

With more than 20 years of architectural experience, David has focused on corporate interiors managing projects ranging in scope from small office renovations to large corporate campuses. As the lead on these projects, his role has been to serve as the client advocate by designing creative spaces that manifests the company culture and supports their values all within the schedule and budget constraints of the project. By using a collaborative approach, David has worked closely with clients, stakeholders and design team partners to develop innovative and effective solutions to the unique opportunities presented by the project.

David holds a Bachelor of Architecture from Kansas State University. He joined GFF in 2006, after working for firms in New York City and Raleigh, NC, and was named an Associate Principal in 2015.
