

MARIA GOMEZ

AIA LEED AP NCARB

PRINCIPAL
STUDIO DIRECTOR

Maria A Gomez, AIA, LEED AP is a Principal at GFF, leads the office and arts and culture market sectors, and functions as Studio Director. After opening her own firm in Colombia in 1994, she relocated to Texas and joined GFF in 1999. Maria has diverse experience on projects ranging from corporate offices to institutional facilities. She collaborated in the design of the Dallas Academy building expansion which received the AIA Dallas 2009 Design Award. Maria also collaborated in the Park 17 multi-use building which received the Texas Construction Best Office Project. This was the first office building to achieve LEED Gold certification for New Construction in the City of Dallas. She designed T5 Residence in North Dallas which was published in the 2011 summer edition of Luxe Interiors + Design. Maria has served as juror for multiple Design Award competitions, including the Boston Society of Architects Honor Awards, the AIA Atlanta Residential Design Awards, the RTKL Works in Progress Awards, Latinos in Architecture (LiA) Fort Worth and AIA Lubbock Design Awards among others.
