At this time, all visitors will need to enter through the Gold Parking Garage. Whether you are parking in the garage or arriving by ride share or on foot, the lobby in the garage is our only entrance while our building's ground level spaces are under construction.

## 03 Park & Walk To The Elevator Lobby

Park in any of the (5) GFF Visitor Parking spaces (67-71) or any of the Unreserved spaces. These spaces must be vacated two hours before an event begins at American Airlines Center. If your meeting is likely to extend to within two hours of the start of an AAC event, please let the attendant know and they will direct you to a 24-hour reserved space.
